Brief Project Description _____

Required Documents

- Drawing showing the location of all exterior lights (new and existing).
- Manufacturer’s catalog information or photo of the light fixtures, including size.
- Paint or finish colors.
- All exterior lighting fixture design is compatible with the architectural character and scale of the home and the community.
- Conduit and junction & outlet boxes will be installed as inconspicuously as possible. If attached to the home’s exterior they will be painted to match the adjacent wall color.
- All exterior landscape and architectural accent lighting will be as close to the grade as possible.
- Decorative strings of lights and rope lighting will be installed in a neat and orderly fashion with the wiring concealed from view. **Draping of string lighting is prohibited.**
- Exterior lighting may **NOT** be directed outside the Owner’s property. Light glare has been minimized on adjacent residences and public areas.
- Security lighting activated by motion detectors will be adjusted to account for things that may turn them on. (e.g. wind-blown trees and shrubs or street traffic.)
- Appropriate City of Lincoln permits will be obtained as required.
- The timeline for completion of work is within 90 calendar days from the start of work and must be completed before the one-year approved application period expires.
