

NEW RESIDENT COMMUNITY AMBASSADOR PROGRAM

Welcome to Sun City Lincoln Hills! As you begin the exciting journey of getting settled in your new home, we would like to offer the Community Ambassador Program as a way to help explore your interests and get involved with the community. We will pair you with one of our Community Ambassadors, a long-time resident that will help connect the dots that make up our Lifestyle.

An Ambassador is a volunteer who has participated in training and remembers what it was like being new to the community. The Ambassador will share stories about activities or groups they have participated in and offer insight on how you may take full advantage of the Del Webb lifestyle. As a new resident, you may like to attend a special event, register for a class, or join a special interest group. With so many activities, your Ambassador will be available to help you connect directly to anything you may want to be involved with. The Ambassador will also introduce you to the Sun City Lincoln Hills Official magazine, *The Compass* which is a helpful tool to connect the dots.

Having experienced the same transition you are currently in, our Community Ambassadors can address common questions and help introduce you to people and activities within the community. Examples of questions include: “What lifestyle amenities are available to me and how can I attend? How does the Fitness Center work? Is there anyone who will attend an event or group meeting with me if I don’t want to go alone? How do I keep updated on all the offerings to residents?”

Whether your interests include special events, fitness, groups or social interaction, the Community Ambassador Program is committed to helping you create the quality lifestyle you desire and deserve. This program is a free service offered to new residents. To participate in the program, simply complete and submit the attached application and you will be paired with an Ambassador. We are excited to help you make connections and become involved in the Lincoln Hills community. Please feel free to contact me if you have any questions or concerns.

Sincerely,

Theresa M. Renken
